

**Q: Can't wait to be there! Where is the clinic?**

A: The Westside Clinic is located at **11500 West Olympic Blvd, Suite 640**. It is on the sixth floor, with access by multiple elevators, and closest to the South Elevators. This is the large City National Bank Building. We are on the 6th floor on the South side of the building. There are a few ways to get here.

- 1) **Taking the North Elevators:** Enter the Lobby (on Olympic). Take the North Elevators (by the security desk) to the 6th floor. Make 3 lefts out of the elevator to make a big "C".
- 2) **Take the South Elevators by foot (Involves stairs):** Enter the Lobby (on Olympic). Do not take the North Elevators, but instead walk down the hallway to the courtyard. Walk the stairs/ramp down into the parking lot. In front of you slightly to the right, you will see stairs leading down to the South Elevator Lobby. Take the elevator to the 6th floor. We are right in front of the elevator.
- 3) **Park by the South Elevators:** Enter the parking lot from Colby. Once you're in the structure, take the first ramp down on the right side, then make an **immediate** right turn. This will take you to accessible parking spots, right next to the South Elevators. Take the elevator to the 6th floor.

**Q: What is the parking situation like?**

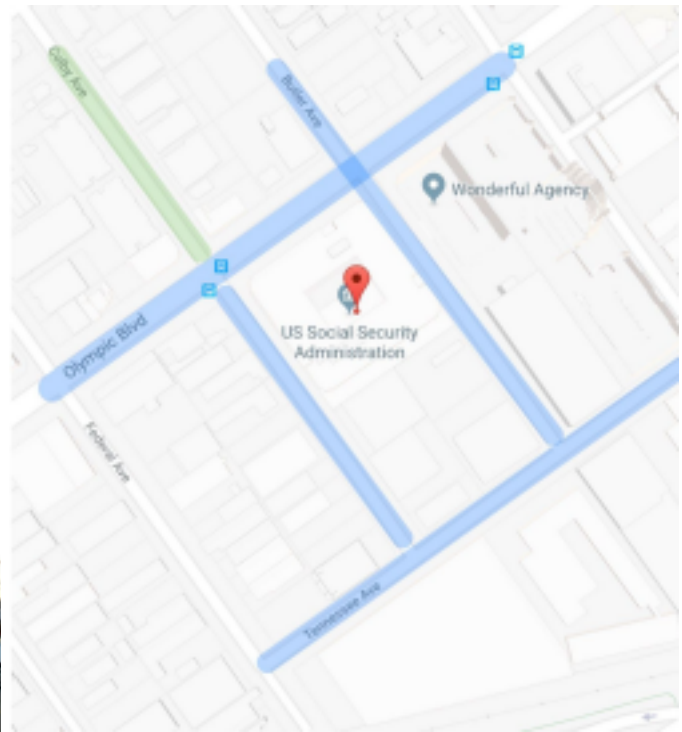

A: There is plenty of parking in the building garage, accessible from Colby and Butler.

There are also many meters on Colby, Butler, Olympic, and Tennessee. If you leave a bit early, you may also find free parking on Colby across Olympic. Please see our map and driving directions sheet for more information.
